

Delane Consulting & Talent Management is a certified (EMSDC) minority-owned firm headquartered in the Lehigh Valley of Eastern Pennsylvania with a specific focus on two complementary, best-in-class, set of services- Professional Consulting and Talent Management.

Businesses are changing rapidly, and our clients are finding the need of consultancy support in areas where they lack core competencies. The Delane team is focused on current and emerging areas of business to fill this gap for our clients

Delane Consulting is a premier professional and management consulting firm that provides an award-winning approach to business transformation and improvement services for our Fortune 500 clients across many industries.

Delane's leadership team led a Fortune 20 company to its first **Global PMO award** recognized by the Project Management Institute (PMI).

Program Management Office

Delane brings extensive PMO experience with a roster of proven **PMO** and **Program Management** leadership professionals from multiple industry segments.

As a leader in the **PMO** space, Delane partners with clients to drive business transformations by providing flexible and specialized PMO and Program Management consulting services coupled with our award-winning **LBA** (Lean Business Agility) framework.

Our services and capabilities center around the **PMI OPM3 Maturity Model** and Delane's **PMO Maturity Framework**

Our Services Include:

- PMO Maturity Assessment & Healthchecks
- Complete PMO Maturity Transformations
- Governance & Strategy Approach
- Change & Stakeholder Management
- Portfolio Management & Prioritization
- Program & Portfolio Dashboard Approach
- Resource Management Maturity & Approach
- SDLC Standardization & Best Practices
- DLBA (Delane Lean Business Agility) Integration
